

Re: Future Cape Town participation

Date: 2013-07-12

This letter serves as confirmation that the Future Cape Town mini-conference entitled 'Open City' has been endorsed as part of the official Programme of Open Design festival, taking place at City Hall in Cape Town from 21 to 31 August 2013.

As the Creative Director of the event, on behalf of the Steering Committee, we further support the efforts of Future Cape Town to attract partners and sponsors to support the management and hosting of this event.

For more information please visit the Open Design website www.opendesignct.com.

Yours Sincerely

Y Tsai / Creative Director

OPEN DESIGN Cape Town is an annual cross-disciplinary citywide event creating an educational, informative, inclusive and collaborative platform where design and its numerous disciplines galvanise Cape Town's design community to openly share their design with each other and the broader public, raising awareness of and increasing appreciation for design by all.
